# OPEN DAY DEALS ON **HONDA**

Fantastic prices on Honda ATVs at the Blandford Open Day on March 13th. Buy on the day and choose between FREE Datatagging or FREE Day Legal Kit

Cesar Datatagging use a range of techniques including hidden tags, self adhesive tags, visible identification plates, microscopic and forensic technology to register and tag machinery. Once tagged a Cesar registered machine is 4 times less likely to be stolen and 6 times more likely to be recovered if it is stolen. As the Cesar scheme is supported by the Police and approved by all major insurers users will also see reductions of up to 12.5% in their insurance premiums.

Day Legal Kits ensure that, as long as you have the appropriate licence, you can ride your ATV on the public highway during the day.\*

**Stock is limited so come and take a closer look at these great ATVs at C&O's Blandford Open Day.**
