

Isle of Wight Open Day

Many thanks to all our customers who supported the Open Day at our Isle of Wight depot on 25th March. Over 150 people joined the team on Long Lane for a relaxed evening, with live music, hog roast and drinks and the opportunity to take a closer look at some of the tractors in the New Holland range, including the massive New Holland T9. Also on show were New Holland balers, Polaris UTV vehicles, Shelbourne Reynolds diet feeders and hedgecutters, New Holland Lynx loaders, Warwick trailers, Mountfield mowers and Can-Am ATVs, along with all the depot's usual stock.

Thanks are due to our manufacturers and suppliers who supported the event, spent time meeting our customers, supplying stock and by donating raffle prizes. A raffle on the night raised over £165 for the Children's ward of St Mary's Hospital.

MADE IN BRITAIN

Celebrating British Made Machinery at C&O

In the year that New Holland celebrate 50 years of continuous tractor manufacturing in the UK we are taking a look at our British Made machinery. We have a range of home grown suppliers making high quality agricultural machinery for the British and international markets.

Dowdeswell

Quality ploughs made in Warwickshire for over 40 years.

For slitters, log splitters and more manufactured in Leighton Buzzard since 1830.

Buckets and grabs made in Gloucestershire for over 40 years.

Diet feeders, bedders, hedgetrimmers and more. Made in Suffolk since 1972.

Sprayers and cultivators, made in Rutland since 1984.

Quality trailers manufactured in Hampshire for over 50 years.

Feeder bedders, spreaders, tillage and more, made in Cornwall since 1943.

Earth Augers

Now in stock at our Wilton depot, and available through any of our other depots; Stihl's powerful Earth Auger. The BT121 is a 1.3kW one-person machine with vibration-reducing handles, ElastoStart and hip padding. The machine benefits from Stihl's innovative QuickStop drill brake, which brings to a halt as soon as the drill jams in the ground. With a range of accessories available this Earth Auger is suitable for a wide range of jobs from drilling bore holes to taking soil samples. C&O NEWS

Introducing...

Stuart Parsons our new Service Manager at C&O's Blandford depot. Stuart comes to us with a wealth of experience managing busy workshops in the vehicle and commercial freight sectors and will be putting that experience to good use running the workshop at Blandford, allowing John Kitley to take up a new role promoting after sales in the business. Stuart, who took on the role in early March, said; I'm really enjoying the variety and the challenge before me and looking forward to getting to know, and building relationships, with our customers.' Stuart can be contacted in the Blandford depot on **01258 451221** or by email stuart.parsons@candotracors.co.uk
