Gillingham & Shaftesbury Show

C&O had another fantastic year at the Gillingham & Shaftesbury show and we were delighted to welcome so many customers and visitors to our stand, including Show Presidents Mr Alan Roberts and Mrs Nancy Roberts and Vice Presidents Mr & Mrs N. Baker.

The C&O stand was a showcase for a range of New Holland tractors, from the large T7.235 to a T4.95. Amongst the machinery on display were the newly launched Merlo Turbo Farmer 38.10 and the Teagle Telehawk (a telehandler mounted bedder). Also on display was machinery from Kuhn, Abbey and Watson. In addition to the tractors and machinery Honda and Polaris ATVs and UTVs were a key attraction as were Honda lawnmowers and a selection of garden machinery. Once again the Stores Tent had an extensive range of toy tractors and other merchandise available for the younger tractor fans at the show.

Thank you to all our customers who came to visit the stand. Thanks also to Graham Glead from New Holland, Mike Sanders from Teagle and James Swinstead from Shelbourne Reynolds who were on hand all day to talk about their products.

New Holland TX64 Combine Harvester available now...

620/75/30, chopper A/C, 17' header & trailer, 3033 engine hours, 2555 drum hours, very tidy.

Take a closer look at some C&O supplied Combine Harvesters in action across Dorset during harvest 2014.

Designed to help you **Grow!**
The **NEW FENIX FO** Cultivator

Available for Demonstrations!

The Fenix FO is a multi-purpose primary cultivator designed for shallow, medium and deep cultivations providing a flexible approach to the needs of UK farmers. It is a short, compact machine available in working widths of 4m, 5m, 6m and 7m.

Features include:

- Optimum tine spacing for easy passage of crop residue
- Support wheels for uniform working depth
- Sprung auto reset tines
- Central transport axle for improved manoeuvrability
- Levelling discs to eliminate ridging
- Heavy steel ring packer
