Strip-Till drilling provides an optimum environment for strong, even crop establishment

Strip-Till direct drilling is perfect at providing the essential nutrients, oxygen and moisture to the seed bed. However it also provides other very important benefits that quickly improve the soil structure.

Bednar Cultivators

C&O Sales managers Matthew Holland and Paul Shutler have just returned from a trip to the Bednar factory in the Czech Republic. Bednar are a more recent addition to the C&O offering, being supplied in the UK by Knight Farm Machinery. Bednar are really starting to make their mark with high quality tillage equipment. This year we have been running demos with Bednar's Fenix cultivator, available in 3 or 4 row models. The trip proved very useful and interesting to the sales team, getting a closer look at the production process and machines that have been on farm for 3+ years. 'We could really see that Bednar are making a strong, durable product', said Matthew Holland. For more information on the range please contact your sales team or visit www.bednar-machinery.com

THE GREAT BLANDFORD BAKE OFF SUCCESS

C&O Tractors' Great Blandford Bake Off was a roaring success. With mountains of cakes, bakes and savouries made by staff, their families and customers took over C&O's Blandford stores. The cakes, displayed amongst tractors, lawnmowers and toy tractors, were very professionally judged by Mr Alan and Mrs Nancy Roberts (2014 Show Presidents at Gillingham & Shaftesbury Show).

The judges awarded winners for each of the four categories (Savoury, Small, Large and Novelty) as well as a trophy for the overall winner, Sam Finlay, C&O's Financial Controller. All the cakes were sold or eaten on the day and best of all a fantastic £317 was raised for the BBC's Children in Need.

Many thanks to all customers, staff and their families who baked, bought and ate cake for the Bake Off.

15% off all safety equipment with Stihl chainsaws

Included in this great offer are helmets, gloves, trousers, boots and other chainsaw specification clothing from Stihl.
