New Holland for World Darts Champion Scott

When he won the 2015 British Darts Organisation World Professional Championship crown, Scott Mitchell famously promised to buy his dad a new tractor with his winnings. Now, just two months after Scott's win, C&O Tractors in Blandford, Dorset, have just delivered a New Holland T5060 to the family's farm in Bransgore on the edge of the New Forest.

"Before going to the 2015 Lakeside World Championship in January I made a promise to my Dad that I would get a tractor that had a cab and started on the key if I won! Little did I know how this would be such a major talking point for the nation!" said Scott.

"I wanted to buy locally and met Ben Best from C&O Tractors when he took the time to come and meet us. A couple of local farmers have also got New Hollands and they told me how much they liked them. To find Ben was a fellow young farmer and understood our needs was great. To be able to take delivery of our New Holland T5060 was great and will save Dad a couple of hours a day doing his farm jobs and even more in the summer! That is, of course, if he can prise my son out of it, who wants to go and do some small contracting jobs with it!" added Scott.

The New Holland T5060, with a Quicke 46 loader, will be a welcome addition to the farm and a big help to Scott's father Jeff. "We're really pleased to have been able to work with Scott and his family. They've got a great tractor that I hope will serve them well for years to come." said Ben Best from C&O Tractors.

2015 OPEN DAY

Over 500 local farmers and customers attended the C&O Tractors Open Day at the Blandford Depot, doing their bit for the pig industry, consuming three whole pigs over the course of the evening. Visitors started arriving from mid-afternoon and were greeted by C&O's 2015 demo CX8080 Combine Harvester at the entrance to the building.

A fantastic range of New Holland tractors were on display including; T7.235, T7.210 Blue Power Auto Command, T7.210 Power Command, T6.160, T5.105, TD5.105 alongside a vintage Fordson Power Major and Merlo 38.10 Turbo Farmer II. Supporting the tractors were a team from New Holland HQ, New Holland's PLM team, Lynx Loaders and Quicke Loaders. Representing C&O's newest offering was a New Holland Construction Wheeled Loader.

C&O's agricultural machinery brands supported the event with reps from Shelbourne Reynolds, Kuhn, Knight, Teagle, Mzuri, Polaris and Warwick joining the team from C&O for the evening and assisting in the presentation of a great display of machinery.

The Open Day was a great opportunity for customers to say goodbye to two C&O members of staff who recently retired and returned for the event. Mike Loader retired from the Sales department and Mike Norris from the Parts department after careers spent serving the Dorset farming community, both at C&O, Dorset Tractors and further afield, spanning more than 100 years service between them.

The younger generation were represented by Kingston Maurward College, who came as visitors and also had a stand promoting the College and their forthcoming Muckathon, whilst a raffle on the night raised nearly £400 for the Dorset and Somerset Air Ambulance.

It was a busy night in the stores, with discounts and special offers for customers as well as a great selection of mowers, lawn tractors and garden power tools on show.

Big thanks go to all the customers who attended, reps who assisted and staff who helped in the preparation and delivery of what proved to be another great Open Day at C&O.
