## Delivery for Sydenhams Hire Centres

C&O Construction at C&O Tractors Ltd have recently supplied Sydenhams Hire Centres with 10 Wacker Neuson 1001 high tip 4WD site dumpers and 10 Wacker Neuson 803 micro excavators.

The excavators and dumpers will be available for hire at Sydenhams Hire Centres through their 10 regional plant and tool hire depots across Wiltshire, Dorset, Somerset and the Isle of Wight. Sydenhams Hire Centres are part of the Sydenhams Timber & Builders Merchant group.

The Wacker Neuson 803 micro excavators are fitted with the unique Dual Power option and Martin manual quick hitch and bucket system. Both micro excavators and dumpers have been fitted with Tracker plant security

systems and benefit from the Wacker Neuson 3 year warranty scheme.

Sydenhams Hire Centres' MD Rick Biddescombe received the machines from Allan Feltham, C&O Construction. Rick said 'I'm very impressed by the build quality of the Wacker Neuson machines plus the narrow machine width of the micro excavators (700mm to 860mm) makes them ideal hire machines for home projects'.
