

1 Year of Massey Ferguson

"On 24th April C&O Tractors celebrated our first anniversary as a Massey Ferguson dealer. And what a fantastic year it has been for the company; New products, new systems, new people to get to know. We have received immense support from Massey Ferguson and our customers throughout the change and are very grateful for that, thank you." Andy Coles, C&O Managing Director.

During the past year C&O have sold over 100 new Massey Ferguson tractors for both retail and fleet hire business. Our sales team have demonstrated the entire range of Massey Ferguson tractors, including the new S series range, alongside harvesting kit, handlers and grassland kit, both on farm and at shows and events, most recently the Massey Ferguson Diamond Roadshow C&O hosted at Salisbury Racecourse. The full line of Massey Ferguson tractors were on display, alongside a complete range of harvesting and grassland machinery and some unique vintage machines from local farms. Thank you to everyone who was able to join us at the roadshow.

"C&O Tractors have already begun to make their mark as a prominent Massey Ferguson Dealership and have enjoyed a successful first year. We are very proud of their professional, approachable and positive attitude and look forward to many more prosperous years with them." William Judge, Massey Ferguson National Sales Manager for UK & Ireland.

In the past few months Massey Ferguson have launched a range of new models, including the new vineyard range, new S series 5700, 6700, 7700 and 8700 models, 5700 Dyna 4, new S series ACTIVA combine harvester (coming to C&O as 2018 season demonstrator), new round and large square balers and grassland kit alongside the eagerly awaited IDEAL combine harvester. We are able to offer customers demonstrations of tractors within the new ranges from all our depots and look forward to more in-field action over the coming months.
